Greetings!

I am pleased to support such a worthy organization in our community that helps thousands of people every year overcome barriers to become stronger mentally and physically. InterCommunity truly takes care of the whole person – mind, body and soul.

As Honorary Chairperson of this year's golf tournament, I encourage you to join me in my support of this event which raises valuable resources for InterCommunity to continue the impactful work they do.

Their services are available to **all** who need them. Some of their services include: providing complete medical care (physicals, vaccinations, blood work, medication management, etc.) to men, women and children; offering numerous group therapy sessions or one-on-one counseling for addiction, mental health or co-occurring needs; supported employment services; social opportunities for young adults with psychiatric diagnosis; and a full range of addiction recovery services – from detox to outpatient counseling. InterCommunity's services are provided by caring health professionals and are available **regardless of one's ability to pay**.

Please join me by supporting the 17th year of this fun, worthwhile event by golfing or being a sponsor. Together we can make a difference by helping support InterCommunity as they keep our community healthy!

Thank you in advance for your support!

With kind regards,

Jeffrey S. Hoffman
Honorary Chairperson
